Serial No. 09/966,793

Docket No.: KCC-16,794

The Petitioner, Kimberly-Clark Worldwide, Inc., hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patent issuing from co-pending application 09/967,024, filed 28 September 2001, entitled METHOD OF TUCKING SIDE PANELS WITH SIDE PANEL FOLD LOCATION CONTROL, provided that the co-pending application issues as a patent, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from co-pending application 09/967,024, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, the Petitioner does not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent issuing from co-pending application 09/967,024, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I, the undersigned, have reviewed all the documents in the chain of title of the above-identified application and to the best of my knowledge and belief, title is in the petitioner, Kimberly-Clark Worldwide, Inc.
